Junaid Sanitary and Electrical Materials Trading was created with the simple vision of supplying the construction market with a reliable channel for all the plumbing goods and services they require, helping to raise the standards of living across the Middle East. They take great pride in the work they do and the products they supply, and now with almost two decades' experience in this sector, they are leading the market with an unrivalled record of success.

Since SAP Business One with 10XPaybooks was implemented, Junaid Sanitary and Electrical Materials Trading, can manage employee profiles, benefits, leaves, air ticket requests with a proper control mechanism for employees and line managers in an efficient and well-organized workflow-driven manner.

10XPaybooks is a complete human capital management Add-on suite for SAP designed to every business and covers everything from hire-to-retire, 10XPaybooks offers complete GCC localizations and is statutory compliant meeting all regional requirements for the United Arab Emirates, Bahrain, Kuwait, Oman, Qatar, Kingdom of Saudi Arabia, Lebanon, Egypt, and Jordan.
