

Sumar Auto Spare Parts Trading LLC displays greater organization with **SAP Business One®**

Sumar is a professional auto parts supplier in Dubai. Based on years of experience in the Auto parts field, they know what their customers demand and can offer their best service. Their mission is to offer high quality parts and their goal is to innovate the durable new products to satisfy their customers. Their products include various kinds of Auto parts especially in the Rubber parts and Brake pads such as Engine Mounts, Shock Absorber Mounting, Centre Bearing, Bushing for suspension, Stabilizer Link, Steering Boots and so on.

Item search add-on will be used for trading customers (Those having Point of sale system). Through item search add-on customers will get all the details of an item with allocated price, last price provided, Pictures of the Item, Alternative Item list etc. Item search add-on simplifies the sales quotation process and help the employee to provide explicit details to customer.
